

Hello everyone!

MAKEUP -

- * Below you will find a picture for makeup - it does not have to be exact - foundation is not required - it's just the general look we are looking for.
- * I know the \$ store has a great variety of makeup so if you don't have something similar this would be a great place to purchase some makeup at a great price!
- * Makeup is optional for pictures - but we would like everyone to have makeup on for dress rehearsal and recital.

HAIR FOR BALLET/TAP - BALLET/TAP/LYRICAL/JAZZ - BALLROOM -

- * See sample pictures below
- * all hair slicked back in to a high bun - no parts this time.
- * please NO sock buns or bun forms -just twist and wrap their hair around the pony tail and secured
- * If they have a hairpiece that came with their costume - it will go on the child's left side of the bun
- * REMINDER - no colored hair for recital (pink, blue, green, purple). If you have those colors in your hair please hide them - if you need help or ideas how to do that let me know. :0)

SHORT HAIR TUTORIAL-

- * Here is the link for the short hair tutorial if you need this - her hair is super short and she did a great job getting it up - it can be done! :0) Lots of hairspray - feel free to use bobby pins on the bottom if needed to hold it. <https://www.youtube.com/watch?v=L5iND-kPhqc>
